

Application for Transportation	DATE: December 15, 2015	REVISED: August 1, 2016
Statement	All student transportation requests must be documented on Tri-Board Student Transportation Services Application Form . These forms are also available at the school office.	
Procedure	<p>Parents/Guardians may use the School Eligibility Search tool on Tri-Board's website to determine the school attendance area for their child and whether they are eligible for transportation from that address.</p> <p>If your child requires a caregiver/alternate address, please use the School Eligibility Search to make sure that the address is within the same school attendance area and if transportation is provided from that location.</p> <p>Please return the completed Transportation Application to the school. The school will then forward the form to Tri-Board for processing. Once processed, a postcard is provided to the school office for parent/guardian notification.</p>
