

Transporting Students with Service Animals	DATE: December 15, 2015	REVISED: August 1, 2016
Statement	Tri-Board Student Transportation Services recognizes that students who have physical or developmental disabilities may require service animals to assist with their daily lives and activities. The Human Rights Code and the Ontarians with Disabilities Act cites the use of service animals as a right of the individual.	
Procedure	Parents/Guardians must meet with their school's Special Education Coordinator to initiate this procedure. Specialized transportation requests are approved on an annual basis and must be reviewed each year by school and board administration.
