

School Bus Rules

Riding the school bus is a privilege requiring a certain level of safety. A rider's privileges may be revoked if they cannot ride safely. The following provides basic safety rules for riders and their families. Ask your school about grade-appropriate Bus Safety Presentations. Pages 1 and 2 are the rules posted in all school buses.

Travelling to/from and waiting at the bus stop

- Be at the stop 5-10 minutes before the bus arrives. Follow bus delays on triboard.ca
- Never run to or from the bus
- Wait at your designated stop in a safe place, back from the side of the road
- Do not play in ditches or on snowbanks
- Avoid the Danger Zone, which is a 10 ft bubble around the entire bus

Getting on and off the bus

- Always wait for the bus to come to a complete stop and has activated its stop arm and flashing lights.
 - If you need to cross the street, wait away from the curb for your driver to signal you across. Stay 10 giant steps from the bus
 - If you do not have to cross the road when leaving the stop, wait until the bus has left the stop. Do not run alongside the bus
- Enter/exit the bus in a single file while holding the handrail. Do not shove others
- Remain in the seat until the bus comes to a complete stop
- Get on/off the bus only at your designated stop
- If everyone is getting off the bus, the people at the front leave first
- If you drop something near the bus, do not pick it up. Tell an adult

Riding the Bus

- Your school's code of conduct should always be obeyed on the bus
- Take your seat promptly and sit facing forward at all times.
- Place bags and backpacks on your lap. Keep the aisle clear at all times.
- Windows should only be opened with the permission of the driver. Always keep your head, hands and arms inside the bus. Throwing objects inside or outside of the bus is not permitted.
- Talk quietly; the driver needs to concentrate to safely drive the bus. Be extremely quiet when at railroad crossings so the driver can hear if a train is coming.
- Eating and drinking (this includes chewing gum) are not allowed on school buses at any time. Smoking/Vaping is not permitted on or near the bus
- Always follow the bus driver/monitor's instructions and be respectful

Rules for Parents/Guardians

- Parents/Guardians are responsible for their children's safety getting to, coming from, and waiting at the stop
- Never yell at the driver. This is their place of work and deserve respect. The bus company's phone number is provided on your student's transportation postcard, should you have any concerns
- Do not board the bus unless it is to secure your child in a safety vest
- Note that drivers have strict schedules and cannot discuss issues/ answer questions at the stop. Drivers cannot change stop locations or times. Contact Tri-Board with concerns
